CASH VS. HEART.

At eye when the moonlight was shining, And the south wind in whispers arose. A youth, by the Ashley reclining, round and off Thus poured forth his ash colored woes: "I sing and I sigh for the maiden

Who dwells in the depths of you grove; Not the lily, its whiteness arrayed in, So beautiful seems to my love."

And the maiden, she drank in the ditty, With keen ear and a tremulous heart; But there dwelt an old man in the city, And he in her musings had part;

She answered Love's song by another. To the very same air-but less sweet, And some sighs which she could not quite smother, Found their way to the youth in the street.

"Ah! me-I confess you are dearest, But then, you can buy nothing dear; Your voice is the sweetest and clearest, And I doat on your whiskers and hair. But then, the old man in the city Has bonds, and bank notes, and a store Of treasures both costly and pretty,

And he promises gold with galore. "With you, I procure love by marriage, But love is poor feeding alone; With him I have horses and carriage,

With you, but a crust and a bone. He leaves me no time to consider. Still pressing with tongue and with pen ; But it ever he leaves me a widow, With his treasures-come sing to me then !".

DREADFUL EARTHQUAKES IN GUATEMALA. The city of Guatemala has been afflicted with a series of earthquakes, which have done some damage and caused a general alarm. The first shock was a slight one, and occurred on the 14th of July Next day three more took place, and on the 16th three more, still slight in character, and no shock exceeding one or one and a half seconds in duration, the direction being from south to north, unaccompanied by noise. On the 17th, about 5 o'clock, a. m., a smart shock of two seconds in duration occurred, when a hollow rumbling noise, and a subsequent vibration of the earth. The same day, about twelve minutes before two o'clock, p. m., came two shocks of greater violence with loud noise, doing great damage to public and private buildings in the city; throwing down several small ones, and reopening the old cracks made by the earthquakes of 18-0, besides many new ones. All the churches had large cracks in them, and that of St. Augustine was badly damaged. The streets were immediately filled with af frighted people, the cry of Dios fuerte resounded on every side, some knelt in the streets to pray, and others hurried to the churches. The duration of the shocks were about four seconds each, the course the same as before, and the motion of the undulatory or horizontal kind. At three o'clock another severe shock occurred, followed by others throughout the atternson and night, accompanied with a vibratory motion and a rumbling noise, the entire number of shocks troughout that day and night being thirteen.

THE RUSSIAN DEPENCES IN THE CRIMEA. The Russian forces in the Crimea are put down by the Paris Moniteur at 70,900 men, including infantry, cavairy, artillery and Cossacks. The number of guns at Sevastapol is 722, Fort Constantine on the north side of the harbor, 104, and Fort St. Nicholas, on the south side, 192. There are nine other forts Virginia and batteries. There were were at the same time in harbor: Two three deckers, one of 130 and one of 120 guns; three two deckers of 84 guns each; three frigates, two corvettes, three brigs, two war steamers and two ships of the Arkansas line not fitted. The number of ships has since been increased. This is force enough to give allies a considerable amount of fighting before victory perches upon their banners.

I had purchased of you, for the use of my father in Scotland, one dozen Sottles of Bee h Drop or Cancer Preparation. I may add that my father has tried every physician of distisction in Scotland and England, including Professors of Reinburg and Colleges, without relief. The right cheek, which is partially consumed. CALLAWAY COUNTY, MISSOURI, July 13th, 1854. Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency, For the last twelve years I have been afflicted with crofula of a Cancerous form. So extensive was the alcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our state, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using t, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form to use it.

Enclosed you will find an order from some friends for the preparation. Very truly, JNO. C. FLINT. For sale by Druggists and Dealers in Medicines in

COUGHS, COLDS, HOARSENESS, Relief in Five Minutes. TYLER'S COMPOUND GUM ARABIC SYRUP the increasing demand for this most pleasant safe, and efficacious remedy for all pulmonary

diseases, has enabled the proprietor to reduce the price so as to place it within the reach of all classes. Its superiority over most similar preparations is attested by many emittent physicians who have been eye witnesses of its efficacy when the usual reme-dies have failed; also by thousand of our most respectable citizens who have used it in their tamilies both as preventive and cure with never failing suc cess for the last twenty years, during which period with very little aid from advertising. &c., it has gradually spread reputation over the whole Union. In cases of recent Colds Coughs, Hoarseness, &c., it gives immediate relief, and generally cures in a day or two, without interfering with diet or business, or rendering the system more susceptible of Colds, in chronic cases, Asthma, Whooping Cough, Croup Bronchitis, Affections of the Lungs, and Consump tion, it is always very b neficial. and seldom fails when commenced in time to perfect a cure.
